

Connect Study 1
The Art of Proverbs 31

Recap:

Pastor Bobbie spoke about Vision Casting for 2018 and introduced a new series called The Art of Proverbs 31. We are re-imagining Sisterhood because – There Is More! We are revisiting our foundations that were laid 22 years ago so that God can build what he wants for our lives on firm foundations.

Discussion:

1. Welcome (or welcome back!) to Sisterhood Connect. It's good to connect and share our background and stories as we gather around the word of God. Pastor Bobbie referenced the fact that she taught on Proverbs 31 about 22 years ago. As an icebreaker – briefly share where you were 22 years ago. Were you there when Pastor Bobbie taught from Proverbs 31? Were you a Christian? Were you even born?
2. Pastor Bobbie spoke about some key desires she has to see Sisterhood continue to go forward. One of these was inviting and gathering more women to come to Sisterhood. Think of one person you can commit to praying for and inviting them to come – either on a Thursday or to a Sisterhood United Night. Share with the group who your person is and

commit to praying together for each woman and for the opportunity to invite them along.

Scripture reference:

Read Proverbs 31 together.

Discuss one part of Proverbs 31 that really jumps out at you – either as a personal promise or challenge to you for 2018. Share why you feel like the Lord has put that part of Proverbs 31 on your heart especially in context of “there is more”.

Prayer:

Please spend some time praying for Colour Conference and Pastor Bobbie, the team and the speakers as they prepare. Please also pray for your own local Thursday Sisterhood gathering for 2018 and for the leaders and volunteers who make it all happen. Praise God for them!

Nation Builders:

Nation Builders is the Missions Giving for Hillsong Church. Your regular contributions in your Sisterhood Connect group support various mission projects around the globe and is one of the ways in which we can make a generous contribution and leave a lasting legacy.
