

Connect Study 3

The Art of Proverbs 31 – Value and All that Stuff Pt 2

Recap:

Pastor Bobbie spoke about the power of foundations and the power of beginnings. She interviewed Donna Crouch, Bec Taylor and Sandra Denton about their early memories and involvement in Sisterhood and a prevailing moment that defined each of them.

Discussion:

1. Share briefly how long you have been coming to Sisterhood and one significant message, event or milestone that has changed your perspective or relationship with God.
2. Pastor Bobbie said, “Beginnings in Christ are wonderfully liberating. Read Galatians 3:28 together.

Scripture reference:

Galatians 3:28 (TPT)

“And we no longer see each other in our former state- Jew or non-Jew, rich or poor, male or female – because we’re all one through our union with Jesus Christ *with no distinction between us.*”

Share briefly an area where you have really felt set free by your relationship with Jesus.

3. Pastor Bobbie also said “Beginnings in Christ are birthed and discovered in revelation first” – and shared some scriptures which have been revelation truth that she has lived her life by. Share a revelation scripture that has profoundly shaped the way you live out your Christian life.

Prayer

Please spend some time giving thanks for the Colour Conference in London, L.A. and Phoenix and continue praying for New York and Kiev.
