## STUDY 3

### Revive, Restore, Repair, Release

#### *Ezra 9:8-9 (NKJV)*

This scripture, that will frame our year, talks about the restoring of spiritual passion under Ezra's leadership. It contains four words for us to confess for this year: **revive, restore, repair and release.**

You revive dead or dying things, and this is a year when spiritual passion in some people will be revived; a reviving of spiritual passion for Christ. Or if your dream seems to have come to a kind of death, let's believe to see it revived. If your finances have taken a hit, let's believe to see a revival in that area. Wherever things in your life are dead or dying – this is a revival year!

You restore old and valuable things. We're believing to see old things that have fallen into disrepair to be replenished. You repair broken things, and you release those things that are bound and held captive. If you have bondage in the form of depression, addiction or internal conflict – this is a year of release. This will be a year full of testimony to the goodness and favour of God right across our church.

This year we can align ourselves with God's mission. What is God's mission in your life, because that is what we want to tap into. And together we will pursue the mission of God.
