

"...First we were loved, now we love. He loved us first."

1 John 4:19 MSG

Easter represents such an opportunity for us as a church to elevate the name of Jesus and reach our cities with the †=♥ message. We have prepared an action plan which everyone would have all received, designed to unite our church and your connect group as we practically apply the message of God's love.

Use this study, along with the 14 Day Easter Action Plan: Love thy Neighbour booklets to encourage each other and brainstorm ways to make the most of the opportunity before us.

Let's believe together that God would reveal himself to us in a fresh way as we lead into Easter and that he would allow us moments with others that would be like a spark that begins a fire of salvation. May this Easter be a time when many people's eyes would be opened to the true message of Easter ... that of Jesus and †=♥
