## INTERLUDE:

**C**            **D**  
I've found a place  
                  **Em**  
Caught in open arms

Where Love's embrace  
                  **C**  
Mends a broken heart

**D**  
Here I will stay  
                  **Em**  
For all my days

**C** /// | **D** /// | **Em** /// | ///  
Draw me closer
