

Youth Leader Term Goals

Acquiring feedback, goals, and ideas from youth leaders is an important way to take the ministry forward. The leaders working directly with the young people often have the best ideas and ideal goals. Here you will find a form for a youth leader to complete.

Youth Leader's TERM GOALS + DREAMS

Our aim is to cultivate our youth leaders participation in owning the vision and outworking of our Youth Ministry weekly. We hope that when we all dream together of what our Youth Ministry can look like, we begin to make it happen.
