

# POINT OF DIFFERENCE

Words and Music by Joel Houston

VERSE 1:

**The tide is turning  
This is redemption's hour  
In the midst of a world lost for love  
You are all we have now  
The lost returning  
Salvation is all around  
In the midst of a world broken down  
You are all we have now  
You are God  
And this hope is ours  
So Father**

CHORUS:

**Open the skies  
Flood the earth with Your light  
This is love to break a world indifferent  
As we lift up our eyes  
Fill our hearts with Your fire  
In a world the same  
We'll be the different  
The difference**

VERSE 2:

**Our hearts are burning  
A fire that won't burn out  
In the midst of a world that's grown cold  
You are all we have now  
The earth resounding  
The anthem of Your renown  
As we lift up our eyes  
And look to Your glory**

PRE CHORUS:

**Call us out  
Let the world see You are God  
And this hope is ours  
Call us out  
Let the world see You are God  
As we sing**

BRIDGE:

**Our eyes are open  
Every chain now broken  
We're in this world but we are different  
Let Your love become us  
As we live to make You famous  
We're in this world but we are different**

**Call us out let the world see You are God  
And one and only in this world  
You are all we have now**
