Recap

In scripture, we learn that our new status “in Christ” is...

1. Relational: God warmly embraces us with a sense of “Welcome Home” (Eph 2:5)
2. Positional: We’ve been “set down” at the right hand of God (Eph 2:6)
3. Authoritative: Our authority to “reign” is found in Christ alone (Rom 5:17)

Engage

- Discuss a time you’ve undergone a status change (i.e., being promoted at work or becoming a parent). How did this change your daily life, behaviour, and relationships?
- In Ephesians 2:1-9, Paul explains that our salvation—the ultimate status change!—is through grace, not because of anything we’ve done. How should this affect our daily lives, behaviours, and relationships?
- Pastor Brian said, “Now you can live by the dictates of heaven, not the demands of earth.” How do you keep an eternal mindset in the midst of earthly trials?
- To fully embrace our spiritual positioning, we must combat old mindsets and thought patterns. What does this look like, practically?
- In Romans 5:17, Paul explains that we can reign in life with an authority found only in Jesus. What are other things from which we mistakenly find our authority?
- Pastor Brian shared, “Your spiritual positioning should determine your natural response.” Has there ever been a situation where you reacted like someone not positioned in heavenly places? What did you learn from that?
- Being at the right hand of God means you’re a friend to the king. How does seeing God not only as Creator and Lord but also as friend change your relationship with Him?
