

Year of Unusual Miracles

At the beginning of the year Pastor Brian declared 2015 to be a year of Unusual Miracles. Miracles that demonstrate God's love and impact people across the world. Miracles that allow us to enter into his promises, see the impossible accomplished, and live in the grace and victory of Jesus.

This year we believe that God is speaking to us and that we will hear from heaven in a way that brings miracles, supernatural answers and divine guidance. We trust God is going to speak into our circumstances, transforming our worlds.

Half way through the year we are still believing for new things to be spoken into our hearts and for unusual miracles across our church, so that we can give glory to God and say, "What a wonderful thing the Lord has done, that only God could do." This Year of Unusual Miracles isn't finished yet. Truly, the best, your best, is yet to come.

Leader's Tip: Use this study to reflect on how the year has gone so far, and what people are believing for over the rest of the year.

Continuing in this year of Unusual Miracles

Q: What transformations have occurred in your life this year? What areas are you still believing for breakthrough, supernatural answers or divine guidance?

Q: What new things has God been speaking to you about? What more is stirring in your heart for 2015?
